January 1, 2016

Dear Client;

Hello once again. This is the second year that our newsletter is “paperless.” With the postcard reminder showing our web address, we trust that it is possible to read these words in a timely fashion. Isn’t technology a wonderful gift to mankind? If we could just learn not to abuse that gift, mankind would be far more advanced. Father time seems to be moving faster and faster.

Page one and two of this newsletter show the 2015 TAX FACT SHEET. Page three refers to our office policies and page four details our Privacy Policy Notice. Page 5 contains some Obamacare requirements and our “client wish list.” Page 6 list recent Earned Income Credit documentation requirements and some cyber/technology identity-theft concerns.

Mary and Joseph were not “homeless” at Jesus’ birth. They were giving unto Caesar what is due Caesar by physically registering in the town of Joseph’s ancestry ie; the city of King David. Our current vacationing Caesar also has schemes to increase his coffers. To help mitigate this, Dedra and I have each attended seven days of seminars as well as some in-office tax webinars. We will employ Gina, our secretary after the third week of January. It is a good idea to write down your appointment time and date. She will repeat the appointment date and time upon ending her conversation with you. Please remember, we do not give appointment reminder calls.

We sincerely hope your Christmas went well and that you cherished moments of solace for they are more and more fleeting in today’s world. Dedra and I wish to thank our soldiers and veterans for their service by giving them a break on tax preparation fees on a case by case basis. Please have a safe and prosperous 2016.

Sincerely,

Barry P. Lindenbusch
President

OFFICE POLICY

Lindenbusch Accounting and Tax Service, Inc. is very small and we wish to remain that way. During the income tax season which starts in mid-January and runs through mid-April, our time is a precious commodity. We've grown to the point where we need to share some guidelines with you, our valuable client. We appreciate your trust in us and hope that with these few suggestions our accounting and tax practice can operate more efficiently to better serve you. THANK YOU.

OFFICE HOURS (during tax season)

8:30 am to 7:00 pm Monday through Friday
8:30 am to 3:00 pm Saturdays after 3 pm by appointment
Sundays by appointment.

OFFICE HOURS (outside of the tax season)

By appointment only. To keep fees reasonable, we do not employ a secretary for the entire year.

APPOINTMENTS

Please ring the doorbell once and be patient, someone will show you in. Try to be on time or 5 to 10 minutes early. If you are to be more than 10 minutes late, a quick phone call would be appreciated. To reduce communication errors our secretary has been asked to repeat the appointment time, day of the week and date. To help facilitate clear and concise appointments, we suggest that you jot down your appointment. Please refer to our postcard. We do not make reminder calls. If children need to accompany you we have TV, videos, and books/magazines in the waiting room. NO APPOINTMENTS BY EMAIL.

DROP-OFFS

Returns dropped off are WELCOME. We ask that you include a daytime, evening and/or cell phone number(s). Tell us the best time to call you.

INVOICING

If your return is dropped off and picked up later or if it is mailed back to you by us, our tax prep fee invoice will always be in the file copy folder in the left side pocket (when opened). Prompt payment would be appreciated.

TELEPHONE

Our secretary will be here from 8:30 am to 5:00 pm Monday through Friday starting just after the 3rd week of January. We would prefer that she make the appointments during those hours. To utilize her even more we ask that as many phone calls, return drop-offs and return pick-ups as possible occur during those hours. Advance appointments (November, December and January) will be taken by either Dedra or myself. Simple questions will be forwarded to one of us and we'll try to call you back as soon as possible. Limited tax planning can be done during your income tax appointment. In depth tax planning will need to be done from May through December. IF REQUESTED WE CAN SEND YOU A PERSONAL TAX ORGANIZER BASED ON LAST YEARS TAX INFORMATION. You can see at a glance all your data from last years return. If interested call to get this tax organizer prior to filing your taxes.

PRIVACY NOTICES

The Gramm-Leach Bliley Act and the Federal Trade Commission (F.T.C.) restrict the disclosure of personal financial information by us and those in our employ. Because we produce a “financial product or service” Uncle Sam is mandating that we supply you with a notice of our privacy policy. Please refer to our new website for additional privacy information.

Lindenbusch Accounting and Tax Service, Inc. has never and will never sell or give away in part or in total our clients tax returns, information, client lists, or addresses. Your confidence in us is important and we want you to know that your personal and account information is safe. If you have any questions or concerns, please contact us.

In fact we're not that crazy about faxing returns even with the consent of the client. That return can be viewed by anyone on the other end. We furnish a copy of your tax return at the time it is prepared. If you think that you will need an extra copy please inform us at that time and we'll throw another copy in for no extra charge. If at a later date you need us to make a copy to either mail, pick up or fax a fee of \$30.00 per return will be charged. I really want to discourage faxing tax returns for obvious privacy reasons. Please keep the Grey folder containing the CLIENT FILE COPY of your return that we make for you. That copy has your W-2's and other source documents attached. We now have the capability to E-MAIL returns to the taxpayer(s).

How long should you keep your records? I'd keep for 5 years documents such as receipts, statements, check registers and computer hard copy. Your actual tax return I'd keep forever, it has a copy of your W-2's/1099's and often your working papers. 50 years of tax returns only take up 2 cubic feet. Any asset that you currently own, if upon sale or liquidation would create a taxable event, you need to keep the documents that show your cost basis for that asset. Depreciation schedules would fall into this category.

.....

CHARITABLE DONATION OPPORTUNITY

Lindenbusch Accounting and Tax Service, Inc. is participating in Parish Assistance Coalition (P.A.C.). This is a coalition of businesses that agree to donate 5% of their fees/services upon request of the client, to St. Martin's Parish. Just let us know and we will earmark your fee and forward 5% to St. Martin's Parish, facilitating the servicing of their grade-school building expansion debt. We wish to thank all who donated to last years Katy Trail bike ride. The three participants rode 230 miles in 15 ½ hours. THANKS AGAIN!

.....

If you have a conceal and carry permit, you and your firearm ARE welcome in our office. This castle (your tax info) is protected by the 2nd amendment and my willingness to exercise that right. We do not outsource self defense, and we are not a gun-free zone.

For OBAMACARE

- Bring Form 1095-A Health Insurance Marketplace Statement
- Bring Form 1095-B Health Coverage
- Bring the income of any child considered in your household
- Did you have minimum essential coverage (at least Bronze) health insurance coverage in 2015. Answer this for each person in your household. **Please bring proof of current health insurance.**

We wish our clients would

- Arrive 5 to 10 minutes early for appointments, call if you will be more than 5 minutes late.
- Bring all W-2's, 1099's and 1098T's (college tuition) with you at tax time
- If your student child is under the age of 24 and is working do not let them file their own returns and claim themselves unless discussed. Also know cost of books required for college courses.
- Bring real estate and personal property tax receipts.
- Bring any newborn child's social security card.
- We do not hire a secretary year round. If you need to leave a message on our answering machine we need to HEAR your name and telephone number. If it is inaudible you probably will not be called back.
- Know your child's childcare providers and if new bring their name, address and ID number with you. Have total amounts per child and per provider. Also let us know if you participated in the cafeteria plan for daycare.
- Look at your return in our office or when you get home. Make sure names, addresses and social security numbers are correct, number of dependents are correct and direct deposit information is correct and or updated (bank routing number and your account number).
- If your return is not finished or is dropped off to us, make sure when you pick it up you review the front page (comparing it to last year's return is a good idea) and promptly sign the **federal and state e-file signature forms** and get them back to us. Faxing them is perfectly acceptable.

Recent Documentation Rules for Earned Income Credit Recipients with Children

If you are claiming a child (or disabled person), for EIC purposes we need to “anchor” that child to your residence for at least half the year. Tens of billions of dollars in fraud have been perpetrated against the U.S. taxpayer by those not deserving, double counting children, or outright fraud. **Lindenbusch Accounting and Tax Service, Inc. need copies on file** of as many of these documents that show your child’s name, your name and current address as you can lay your hands on. If we don’t acquire these documents your EIC refund is in jeopardy and in the near future will be **disallowed**.

It is a sad fact in today’s world we have cyber-criminals running rampant. Until our citizens force our non-responsive government to treat them as they should be treated, then we will have much more of it. We as a country need to inflict crushing penalties on domestic and foreign “hackers/thieves”. Their crimes include, but are not limited to; identity theft, false filing an entire tax return, sale of stolen social security numbers, stealing children’s social security numbers, bank and credit card fraud, compromising medical records, etc, etc.

Dedra and I have taken many measures including acquiring cyber insurance to mitigate any breach. No one is out of reach from these criminals, even the IRS, the military, state governments and the largest of companies are getting hit. If your return is e-filed rejected for identity theft or any other reason that is not the fault of Lindenbusch Accounting & Tax Service, Inc., there will be an additional fee. For this reason we are also increasing the fee for e-mailed,

mailed or copies of any tax return other than the original file copy that you received at tax time. That charge is now \$30 per return. Remember, for e-filing the original return there is no charge. So please take care of your file copies and put them in a safe accessible place. Thank you.
