Dear Client;

Alas, the dawn of the third decade of the third millennia. Three years ago was the first time in our country's history where our previous Caesar did not willingly handover the reigns of government to our current Caesar. This near coup makes me fear for our republic. Many of our citizens disdain for liberty and accurate history truly frightens me. In this time of tumult and chaos we truly understand that the more things change the more they stay the same. As Ben Franklin said in 1789 the only things the world can be certain of is death and taxes. Our "fallen" human nature is redeemed by the Baby in the manger!

Page one and two of this newsletter show the 2019 TAX FACT SHEET. Page three refers to our office policies and page four details our Privacy Policy Notice. Page five contains some Obamacare (yes, it is still partially with us) information and a section on our "ideal client would. . . ." Page six list our Tier 1 and Tier 2 retention requirements for preparing returns for clients whose child(ren) creates a refundable credit AND for anyone filing as Head of Household. **Tax preparers** are facing a \$530/per client fine for failing to retain source documents and having documented conversations that prove that your claim of a dependent is accurate.

As Jesus said, "Give unto Caesar that which is Caesars", it is our job to make sure Caesar's "take" is modest. In that effort, Dedra and I have attended classes and webinars that far exceed the mandated number of hours required. We will happily welcome our secretary again in mid-January. When making your appointments, Gina will repeat the appointment details with you, please write it down. We do not make appointment reminder calls nor do we take appointments by email. If the phone lines are busy, leave a message when possible. I believe I read that unsolicited "robo calls" hit 5.23 Billion in just the month of March 2019. Caller ID "spoofing" could soon be stopped with S.151 and signed by the president. Meanwhile please be patient if the lines are busy. More information on this subject is discussed on page 7 of this newsletter.

During this time of Christmas and the dawning of a new year and new decade please take time to reflect and enjoy the important things in life. If it has to do with God, family and country, give thanks. Everything else is just hectic noise. Dedra and I will give the military, past and present a break on tax prep fees on a case by case basis. We thank them for their service. Remember, if you are enjoying your holiday meals thank a farmer. That you enjoy them in peace, THANK A SOLDIER. Have a great and prosperous 2020.

Sincerely,

Barry P Lindenbusch  
President

These two new taxes were instituted with the Obamacare legislation and do not appear to be indexed to inflation.

**FOR 2019**

## OFFICE POLICY

Lindenbusch Accounting and Tax Service, Inc. is very small and we wish to remain that way. During the income tax season which starts in mid-January and runs through mid-April, our time is a precious commodity. We've grown to the point where we need to share some guidelines with you, our valuable client. We appreciate your trust in us and hope that with these few suggestions our accounting and tax practice can operate more efficiently to better serve you. THANK YOU.

### OFFICE HOURS (during tax season)

8:30 am to 7:00 pm Monday through Friday

8:30 am to 3:00 pm Saturdays after 3 pm by appointment

### OFFICE HOURS (outside of the tax season)

By appointment only. To keep fees reasonable, we do not employ a secretary for the entire year.

### APPOINTMENTS

Please ring the doorbell once and enter, someone will show you in. Try to be on time or 5 to 10 minutes early. If you are to be more than 10 minutes late, a quick phone call would be appreciated. To reduce communication errors our secretary has been asked to repeat the appointment time, day of the week and date. To help facilitate clear and concise appointments, we suggest that you jot down your appointment. Please refer to our postcard. We do not make reminder calls. If children need to accompany you we have TV, videos, and books/magazines in the waiting room. **NO APPOINTMENTS WILL BE MADE BY EMAIL.**

### DROP-OFFS

Returns dropped off are WELCOME. We ask that you include a daytime, evening and/or cell phone number(s). Tell us the best time to call you.

### INVOICING

If your return is dropped off and picked up later or if it is mailed back to you by us, our tax prep invoice will always be in the file copy folder in the left side pocket (when opened). Prompt payment would be appreciated, regardless of whether return is dropped off or you sit for an appointment.

### TELEPHONE

Our secretary will be here from 8:30 am to 5:00 pm Monday through Friday starting mid-January. We would prefer that she make the appointments during those hours. To utilize her even more we ask that as many phone calls, return drop-offs and return pick-ups as possible occur during those hours. Advance appointments (November, December and January) will be taken by either Dedra or myself. Simple questions will be forwarded to one of us and we'll try to call you back as soon as possible. Limited tax planning can be done during your income tax appointment. In depth tax planning will need to be done from May through December. **IF REQUESTED WE CAN SEND YOU A PERSONAL TAX ORGANIZER BASED ON LAST YEARS TAX INFORMATION.** You can see at a glance all your data from last years return. If interested call to get this tax organizer prior to filing your taxes.

**PRIVACY NOTICES**

The Gramm-Leach Bliley Act and the Federal Trade Commission (F.T.C.) restrict the disclosure of personal financial information by us and those in our employ. Because we produce a “financial product or service” Uncle Sam is mandating that we supply you with a notice of our privacy policy. Please refer to our new website for additional privacy information.

**Lindenbusch Accounting and Tax Service, Inc. has never and will never sell or give away in part or in total our clients tax returns, information, client lists, or addresses. Your confidence in us is important and we want you to know that your personal and account information is safe. If you have any questions or concerns, please contact us.**

In fact we’re not that crazy about faxing returns even with the consent of the client. That return can be viewed by anyone on the other end. We furnish a copy of your tax return at the time it is prepared. **If you think that you will need an extra copy please inform us at that time and we’ll throw another copy in for no extra charge.** If at a later date you need us to make a copy to either mail, e-mail, pick up or fax a fee of \$30.00 per return will be charged. I really want to discourage faxing tax returns for obvious privacy reasons. Please keep the Grey folder containing the CLIENT FILE COPY of your return that we make for you. That copy has your W-2’s and other source documents attached. We have the capability to E-MAIL returns to the taxpayer(s). **However due to security reasons we will not email to a third party.** We will only email to the email address provided to us at appointment time. If you drop-off or mail your information to us, please make sure to provide us with your current email address.

How long should you keep your records? I’d keep for 5 years documents such as receipts, statements, check registers and computer hard copy. Your actual tax return I’d keep much longer, it has a copy of your W-2’s/1099’s and often your working papers. 50 years of tax returns only take up 2 cubic feet. Any asset that you currently own, if upon sale or liquidation would create a taxable event, you need to keep the documents that show your cost basis for that asset. Depreciation schedules would fall into this category.

If you have a conceal and carry permit, you and your firearm ARE welcome in our office. This castle (your tax info) is protected by the 2<sup>nd</sup> amendment and our willingness to exercise that God-given right. We are not a gun-free zone.

There are sheep, wolves and sheepdogs. Which one do you choose to be?

**For OBAMACARE**

- . . . . Bring Form 1095-A Health Insurance Marketplace Statement
- . . . . Bring Form 1095-B Health Coverage
- . . . . Bring the income of any child considered in your household
- . . . . The penalty for not having health insurance is repealed for 2019. This is sometimes referred to as the Individual Mandate.

**We wish our clients would . . . . .**

- . . . . Arrive 5 to 10 minutes early for appointments, call if you will be more than 5 minutes late.
- . . . . Bring a paper copy of all W-2's, 1099's, 1095's, consolidated broker statements, K-1's and 1098T's (**college tuition payments transcript/receipts**) with you at tax time. We need these paper copies at your appointment time because we must scan and retain them.
- . . . . If your student child is under the age of 24 and is working do not let them file their own returns and claim themselves unless discussed. Also know cost of books required for college courses.
- . . . . Bring real estate and personal property tax receipts.
- . . . . Bring any newborn child's social security card and birth certificate.
- . . . . We do not hire a secretary year round. If you need to leave a message on our answering machine we need to HEAR your name and telephone number. If it is inaudible you probably will not be called back.
- . . . . Know your child's daycare provider and if new bring their name, address and ID number with you. Have total amounts per child and per provider. Also let us know if you participated thru your work in the cafeteria plan for daycare.
- . . . . Look at your return in our office or when you get home. Make sure names, addresses and social security numbers are correct, number of dependents are correct and direct deposit information is correct and or updated (bank routing number and your account number).
- . . . . If your return is not finished or is dropped off to us, make sure when you pick it up you review the front page (comparing it to last year's return is a good idea) and promptly sign the **Form 8879 e-file signature form** and get it back to us. Faxing it is perfectly acceptable.

There are TWO TIERS of documents that the preparer must receive and retain in order to properly prepare and e-file your return. WE WILL NEED AT LEAST ONE ITEM FROM EACH TIER.

**TIER ONE**  
**PROOF OF CHILD(REN) RELATIONSHIP**

- ..... Social Security Card
- ..... Birth Certificate
- ..... Adoption Papers

**TIER TWO**  
**PROOF THAT CHILD(REN) LIVES WITH CLIENT**  
Documents that have child(ren) names and address

- ..... \*School records, school letter, report card
- ..... Landlord or property records (H.O.H.)
- ..... Real Estate tax receipt (H.O.H.)
- ..... Utility bill (H.O.H.)
- ..... Health care provider statement
- ..... Medical records
- ..... Childcare provider statement
- ..... Placement agency statement
- ..... Social service records
- ..... Place of Worship statement
- ..... Employer statement

We need to collect tier two documents each and every year on each child, two or three documents is suggested in Tier Two. Lindenbusch Accounting and Tax Service, Inc. need these statements/documents. We are required to retain this information to ensure that we practiced due diligence for the claiming of:

1. Earned Income Credit
2. Child Tax Credit and Other Dependent Credits
3. Education Credits
4. Head of Household (H.O.H. started in 2018)

If we do not acquire this documentation the above tax benefits will be disallowed by the IRS.

\* In addition to school records that anchor a college age child to your residence, we will also need Form 1098-T AND your dependent students tuition payment transcript for last year as well as the cost of books. We will need this information to file for any tuition credits or education deductions.

It is a sad fact in today's world we have cyber-criminals running rampant. Until our citizens force our non-responsive government to treat them as they should be treated, then we will have much more of it. We as a country need to inflict crushing penalties on domestic and foreign "hackers/thieves". Their crimes include, but are not limited to; identity theft, false filing of entire tax return, sale of stolen social security numbers, stealing children's social security numbers, bank and credit card fraud, compromising medical records, etc, etc.

Dedra and I have taken many measures including acquiring cyber insurance to mitigate any breach. No one is out of reach from these criminals. Even the IRS, the military, state governments and the largest companies are getting hit. If your return is e-filed rejected for identity theft or any other reason that is not the fault of Lindenbusch Accounting & Tax Service, Inc., there will be an additional fee. For this reason we are charging a fee for e-mailed, mailed or copies of any tax return other than the original file copy that you received at tax time. **That charge remains \$30 per return.** Remember, for e-filing the original there is no charge and if you want/need an extra copy of your income tax return during your annual tax appointment there is no charge. So please take care of your file copies and put them in a safe accessible place. Thank you.

As I briefly mentioned in the cover letter we had experienced phone disruptions. Many are due to high volume client contact. Gina, our secretary, struggles to ensure that clients are served in the order they arrive (in person or by phone). Dozens of times I hear the phone and door bell ring simultaneously. She will either put you on hold or ask the arrival to have a seat in our waiting room. Please be patient with us and our possible busy signals. If you go to voicemail (answering machine) leave a message. The other problem we are experiencing as well as businesses nationwide, are the unsolicited sales or "robocalls." The US has seen an explosion of this type of intrusion. Caller ID is worthless because these vermin have learned to "SPOOF" (ie appears as though it is your neighbor or acquaintance calling you from your area code and prefix). At 8 pm one summer evening Dedra and I got 3 calls upstairs from OUR business number downstairs. This is infuriatingly creepy. I've written the president both US senators and my US congressman. Senate Bill 151 is currently progressing through our dysfunctional congress to stop this violation of our 4<sup>th</sup> amendment rights. Lets pray it passes.
