

TAXDOME

In 2025 we are implementing a new secure client portal called TaxDome. This portal will allow both you and Lindenbusch Accounting & Tax Service, Inc. to send vital and sensitive information back and forth. By implementing this portal, we discourage emailing tax forms, social security numbers, birth certificates and any other information needed to help prepare your income tax returns.

You will get an email from us stating “Action Required” to our secure client portal and mobile app. You will be asked to create a password. Once this is done, you will be able to scan documents directly into TaxDome (the app has a built-in scanner).

The invite to TaxDome looks like the following:

You have been granted access to “Your Name” by Dedra Lindenbusch.

You can also set up your portal without us inviting you to TaxDome by going to lindenbuschtaxservice.taxdome.com.

On the home page under “Sign In,” it will say “Don’t have a Lindenbusch Acctg & Tax Svc, Inc. client portal account? [Sign up](#)”

It is our hope that we will not have to email your returns in the future via “TaxStatusNow”. From TaxDome you will be able to download and save it or email to your banker if you so choose.

Lindenbusch Acctg & Tax Svc, Inc. uses TaxDome as their SOC2 certified secure client portal. Once activated, you'll be able to upload documents, review and sign forms.
